

**NOTICE OF CITY OF HOUSTON, TEXAS, CHARTER AMENDMENT ELECTION,
TUESDAY, NOVEMBER 6, 2018**

To the registered voters of the City of Houston, Texas:

NOTICE IS HEREBY GIVEN that the City of Houston, Texas, will conduct a Charter Amendment Election (the "Election") as described herein, on Tuesday, November 6, 2018, at which the City will submit to registered voters 1) a proposition to amend the City Charter to provide for a dedicated pay-as-you-go funding source to enhance, improve and renew the City's drainage systems and streets and 2) a proposition to amend the City Charter to require parity in the compensation provided to Houston firefighters compared to the compensation provided to Houston police officers:

Proposed Charter Amendment and Ballot Language. In the Election, the registered voters of the City shall decide whether to amend the Houston Charter by voting "For" or "Against" the following proposed Charter amendments:

CITY OF HOUSTON, PROPOSITION A

The City Charter of the City of Houston shall be amended by adding a new Section 22 to Article IX to read as follows:

"Section 22. Dedicated Pay-As-You-Go Fund for Drainage and Streets.

To provide for the enhancement, improvement and ongoing renewal of Houston's drainage and streets, a dedicated, pay-as-you-go fund entitled the 'Dedicated Drainage and Street Renewal Fund' shall be established, applied and funded as follows:

- (a) The Dedicated Drainage and Street Renewal Fund shall be established as a dedicated, pay-as-you-go source of funding for the City's drainage and streets.
- (b) To ensure the continued availability of the Dedicated Drainage and Street Renewal Fund as a pay-as-you-go source for the capital cost of future drainage and street needs, no more than 25% of each annual appropriation to the Fund may be used for maintenance and operation expenses, except where third party contracts, grants or payments may provide otherwise. The balance shall be used exclusively on a pay-as-you-go basis for capital costs of drainage and streets, including planning, engineering and right-of-way acquisition. The Fund may not be used to pay debt service. Beginning in the budget for fiscal year 2012, the Dedicated Drainage and Street Renewal Fund shall be funded annually in each budget adopted by the city council from the following sources, the first two of which are intended to supplement and not replace historic funding sources and the third and fourth of which are intended to confirm the City's commitment to continue historic funding:
 - (i) All proceeds of developer impact fees, which beginning in fiscal year 2012, and continuing thereafter shall be imposed in an equitable manner as provided by law to recover allocable costs of providing drainage and streets for properties under development.
 - (ii) All proceeds of drainage charges, which beginning in fiscal year 2012, and continuing thereafter shall be imposed in an equitable manner as provided by law to recover

allocable costs of providing drainage to benefitting properties, with drainage charges initially set at levels designed to generate at least \$125 million for fiscal year 2012.

- (iii) An amount equivalent to proceeds from \$0.118 of the City's ad valorem tax levy minus an amount equivalent to debt service for drainage and streets for any outstanding bonds or notes:
 - (A) Issued prior to December 31, 2011, and
 - (B) Bonds or notes issued to refund them.
- (iv) All proceeds from third party contracts, grants or payments of any kind earmarked or dedicated to drainage or streets.
- (c) This Section is subject to modification as permitted by law or termination at the end of fiscal year 2031 (i.e., after 20 years of operation) if during fiscal year 2030 (i.e. 19th year of operation) such modification or termination is authorized by an affirmative vote of two-thirds of the City Council following a public hearing on the matter. If not so terminated, this Section shall continue in full force and effect for successive 20 year periods, subject in each case to modification or termination in the same manner.
- (d) Funding for the Dedicated Drainage and Street Renewal Fund that is not derived from ad valorem taxes levied by the City (i.e., that portion derived from fees, charges and third party payments) shall not be included in those revenues limited by this Charter."

Ballot Language for City of Houston, Proposition A:

[Relating to the Creation of a Dedicated Funding Source to Enhance, Improve and Renew Drainage Systems and Streets]

Shall the Houston City Charter be amended to establish a Dedicated Pay-As-You-Go Fund, to be used for the enhancement, improvement, and ongoing renewal of Houston's drainage and streets, funded annually from the following sources: (i) developer impact fees; (ii) drainage charges, to property owners or users, to recover costs of providing drainage to benefitting real properties; (iii) a portion of the City's ad valorem tax levy; and (iv) third-party contracts, grants, or payments earmarked or dedicated to drainage or streets?

Estimate of Anticipated Fiscal Impact of Charter Amendment. Proposition A, if approved, would dedicate annual revenues from the drainage fee and the developer impact fee, estimated to be \$112.5 million and \$0.5 million respectively. These revenues will be used only for street and drainage improvements, will replace the use of debt to fund street and drainage capital projects, and will cause debt service requirements for street and drainage projects to decline over time. The tax revenues freed up as the existing debt is paid off will then be dedicated to street and drainage capital projects.

CITY OF HOUSTON, PROPOSITION B

The City Charter of the City of Houston shall be amended by adding a separate section to read as follows:

"The City of Houston shall compensate City firefighters in a manner and amount that is at least equal and comparable by rank and seniority with the compensation provided City police officers including:

In the event the title of any of the above classifications shall be changed, the new classification most similar in terms of qualifications and duties to the old shall be substituted therefore, to achieve pay parity.
