

Community Development Block Grant (CDBG) Program

Federal partnership funding supporting flood risk reduction in Harris County

Program Stats

- 28 projects across Harris County
- \$322 million in CDBG-DR (Disaster Recovery) funding
- \$541 million in CDBG-MIT (Mitigation) funding
- 62% of funds are allocated to low-to-moderate income communities

What is CDBG funding?

Funding from the U.S. Department of Housing & Urban Development (HUD) administered at the state level by the Texas General Land Office (GLO).

The Flood Control District has a direct contract with the GLO for these funds.

Why this funding matters

- ✓ Major federal investment supporting **local 2018 Bond Program funds** to maximize investment, fulfilling commitments to Harris County residents
- ✓ Fully funds projects through construction, providing certainty for local communities
- ✓ Serves **vulnerable and urgent need communities** across Harris County
